Profile

Passionate Frontend Developer, Software Engineer and UI/UX Designer with expertise in React, modern web development and user-centric design. Skilled in building scalable, responsive applications and eager to enhance backend development skills. Seeking opportunities to grow and contribute in a dynamic tech environment.

Professional Experience

UI/UX Designer at Techserw Labs

(Project Base) Dec 2024 - Feb 2025

- Designed intuitive mobile app interfaces using Figma, developing both light and dark themes to enhance user experience and visual appeal.
- Created wireframes and interactive prototypes for website layouts, aligning with client requirements.

Software Engineer Intern at Clevonex

(Full-Time) Feb 2024 - Oct 2024

- Developed the front-end of a donation website using React, ensuring responsive and user-friendly interfaces.
- Designed the admin panel for the donation website in Figma, focusing on usability and functionality.
- Acted as a dummy team lead for new joiners on clothing e-commerce and LMS projects, guiding them in project structure and best practices.
- Conducted Git training sessions for new team members, helping them understand version control workflows.

Web Developer at Elzian Agro

(Part-Time) Jul 2023 - Dec 2023

- Maintained the company website and ER website using HTML, CSS, and Bootstrap, ensuring smooth functionality and visual consistency.
- Performed code cleaning and optimization to improve website performance and loading speed.
- Collaborated as a team member in developing a QR code generator application using React.

Graphic Designer at Printers

(Full-Time) 2020 - 2021

- Designed photo frames, invitations, bills, cover letters, and labels using Adobe Photoshop and MS Office tools.
- Collaborated with clients to understand design needs and deliver customized graphic solutions.
- Ensured print-ready designs with high-quality resolution and proper formatting.

Education

B.Sc (Hons) in Software Engineering

(CGPA - 3.43) 2021 - 2025 Feb

University of Kelaniya

NVQ Level 4 – ICTT

2019

National Apprentice and Industrial Training Authority, Kilinochchi

ACS – English Course

2018

College of Technology (DTET), Jaffna

G.C.E A/L: Physical Science

2019

J/Chavakachcheri Hindu College

Result: Combined Mathematics - A, Chemistry - B, Physics - C

Projects

Club Management System (Group Project)

Nov 2024 - Present

- Technologies: React, Flask, PostgreSQL, Figma
- Designed a platform for student-club interaction with features like user registration, event management, real-time notifications, and a merchandise marketplace.

Donation Website (Frontend)

Feb 2024 – Mar 2024

- Technologies: React, Figma
- Created a responsive UI for facilitating donations and event engagement, improving user interaction.

Learning Management System (Team Lead)

Aug 2024 – Sep 2024

- Technologies: React, GitHub
- Led a team of 4 developers, implemented Agile practices, and trained team members on GitHub collaboration to reduce project delays.

IRemember memorial Application (Backend)

Apr 2024 – May 2024

- Technologies: React, Spring Boot, MySQL
- Developed backend functionality for user authentication and memorial creation, enhancing security and user satisfaction.

Vehicle-Service-Reservation-WebApp

Aug 2023 – Sep 2023

- Technologies: JSP, Servlets, Asgardeo Identity Provider, SQL, OWASP Practices
- Developed a secure reservation system with enhanced access control and compliance with web security standards.

Technical Skills

- **UI Design:** Figma
- **Graphic Design:** Adobe Photoshop, Canva, Blender
- **Programming Languages:** HTML, CSS, JavaScript, PHP, Java, Python (Beginner)
- **Frameworks:** React Js, SpringBoot, Flutter, Bootstrap, Tailwind
- **Database:** MySQL
- **Version Control:** Git
- **Other:** OOP, PowerBI, Postman (Rest API)
- **PM-style:** Agile Methodology

Certifications

- 3D Editing Blender Course (American Corner, Jaffna (Jan. 2023)
- Basic Web development Course (American Corner, Jaffna)

Languages

- **English** [Professional Proficiency]
- **Tamil** [Native]
- **Sinhala** [General Proficiency]
